

Come Play & Learn with Us!

We offer a variety of **FREE** and **FUN** activities in safe and nurturing environments for children of all ages as well as parenting workshops for adults.

Here is just a sampling:

“The Discovery Center”: “Play & Learn” groups held at the Forestdale School and include lots of hands-on fun for parent and child alike!

Parent Activities and Programs:

Workshops & speakers offer parents a time to connect and learn in a relaxing environment.

Resource and Referral Services: Helpful information for families regarding finances, childcare options, social service supports & individual needs.

Ages & Stages Screenings: Used to help identify your child’s strengths and set goals for development.

Story Times: For infants, toddlers and preschool aged children.

Weekend Family Events: Puppet Shows, Story Hikes, and Concerts, just to name a few!

Community Programs:

Young Athletes Special Olympics sessions for children with special needs. Outreach programs at homeless shelters & other children’s service agencies.

Check our website calendar for details on all our many offerings!

Sandwich Partnership for Families

The Sandwich Partnership for Families Council is a coalition of parents, professionals, and community members working together to support and enrich the lives of young children and families. Our goal is to promote affordable, accessible, high-quality services and programs for all families in our community.

Membership is open to everyone who cares for, and about young children. Join us at our bi-monthly Council meetings!

We are funded through a grant from the Department of Early Learning and Care to the Sandwich Public Schools.

The Kiwanis Club of Sandwich and The Sandwich Women’s Club, as well as individual private donations provide the resources for programs or initiatives not funded through this grant.

For more information on how you can be involved, call the SPF Office at:

The NEW Discovery Center at Forestdale:

This is a place for you and your young child to enjoy together. Inside, you will find many different materials and activities to explore together.

Based on the premise that children learn best through multi-sensory hands-on activities, this environment is designed to provide play-based learning opportunities.

Playgroups here are interactive programs where social, emotional, and communication skills are embedded in our daily interactions.

Children have the freedom to explore & create with the security that a parent or caregiver is nearby.

By attending playgroups, parents will be introduced to developmentally appropriate activities which they can continue to utilize and expand on outside of the playgroups.

Playgroups can also be an avenue for parents to share, connect and develop relationships while learning about other community resources & programs.

Welcoming Everyone!

The Sandwich Partnership for Families at Forestdale believes that the best programs are those in which both professionals and parents work together to ensure a successful experience for all. Your suggestions and ideas are important to us.

We celebrate all families, and welcome the diversity that enriches the culture of our community.

The involvement of fathers is essential to their child's healthy development. We value the participation of men in our programs.

Adult programs are also available on many different topics. Check our website calendar for details.
