

Sandwich Partnership for Families

Always fun, always free public programs of the Sandwich Schools, open to all families with young children.

March Interim Newsletter

We understand that this is a stressful time for everyone (understatement!). Between financial & employment worries, grocery store shortages, and of course, health concerns, there is plenty on our plate without the additional difficulties of social distancing in the Northeast in March!

Please check our website each week (www.sandwichpartnership.com) for new postings of storytimes with Miss Chris and Miss Amy, as well as learning activities from Lauren G., recipes to make together from Lauren M. and outdoor adventuring ideas. Plus we have included our favorite moving and grooving songs, and have even invited Miss Britt to share some yoga ideas to do together!

In process is next week's call in opportunity via Zoom to chat with other grown-ups about finding our way together through this uncharted territory. Download the Zoom program now (<https://zoom.us/signin>), and be ready for next week's call! Registered Playgroup Families, please check your email for the Call In codes for Mondays at 10 am with Miss Chris, and Wednesdays at 9:30 a.m. with Lauren G. Let's talk soon!

We have been working hard to gather the resources that we hope will make things a little more manageable & even enjoyable, as we experience this virtual life together. We know there are a lot of options for sites and downloads, but we have tried to keep the consistency of your child's familiar faces, songs and programs that help them feel secure and stable in this minute-to-minute changing world we are all spinning in.
