

Now is your chance to help  
**The Sandwich Partnership for Families**  
help our community!

The SPF has been chosen as the recipient of  
**The Stop & Shop November Giving Bag**  
program! This is your opportunity to give back for  
all they have done, over the last 22 years!

Whether you and your child have attended the outdoor programs held this year, or playgroups at the Discovery Center (either in the library or at the Forestdale School), the Adoption Support Group, the Young Athletes Special Olympics at the Rec. or any of their community programs of puppet shows, concerts, & storytellers, there was **never** a cost or charge for families to attend! Your purchase of this bag at the **Quaker Meetinghouse Stop & Shop only** will go directly back into these programs & more! And these reusable bags help protect the environment for future generations too!

There will be no other fundraisers! For each bag purchased, The Sandwich Partnership will receive \$1. It's that simple! No cookies or candy or candles to sell! Just a reinvestment into the families in our community!
