

Important Covid 19 Revisions

The Covid 19 Pandemic has impacted museums and business operations for the 2021 Summer season. These restrictions have frequently changed and will continue to change as we navigate the pandemic. The Sandwich Partnership for Families has created a list of the current impacts on operations of the museums and businesses in this booklet. You may want to check their websites or contact businesses/museums directly before visiting them.

Restricted Operations

Waquoit Bay Estuary Reserve- Trails open only. The visiting center and picnic area are currently closed. "We hope as our Commonwealth continues to open and more activities are allowed, we will be able to offer some programs or family activities later in the summer. "

Cape Cod Canal Visitor's Center-Visitors Center is closed but they are running summer outdoor programming. Restrooms are open.

Green Briar Nature Center- Walking trails are open. The museum with animals is closed due to renovations but will be open sometime during the summer.

Pairpoint Glass Works is starting to reopen. If you are planning to visit call ahead to verify store opening

Closed
