

PLAY IT SAFE SANDWICH!

The Sandwich Adventure Playground Improvement Committee is being formed to repair, restore and expand the current facility located at 260 Quaker Meetinghouse Rd. in Sandwich. Once a model of community involvement, it has largely been forgotten about & has fallen into disrepair.

Please join us in working together to provide Sandwich with a playground to be proud of! Email lmelillo@sandwich.k12.ma.us to receive a Zoom invite. We will evaluate the current status, estimate the maintenance needed and create a vision for going forward!
